

## Arctic Tundra

1. Mosses and lichens grow on the tundra  
Scrubs are in abundance, also

verse: Cold tundra, cold tundra  
With your permafrost

2. Caribou roam on the cold tundra  
Grazing on the low scrub bushes

verse: Cold tundra, Cold tundra  
How frozen you must be

3. Arctic hare is swiftly fleeing  
From the fox that's stalking it

verse: Cold tundra, cold tundra  
How dangerous it can be
